

## M12 Ca

The M12 Ca has 12 extra-long weighing buckets specifically designed for long products like carrots and parsnips. It is the go-to weigher for large carrot packers. The M12 Ca also offers a packing range from 1 to 50 pounds at rates up to 55 bags per minute, which makes it a high speed addition in any long produce application.

### FEATURES

- 12 long bucket scales to weigh long products effectively
- High speed computer scans the weights in all 12 buckets and chooses the best combination to provide the most accurate weight
- Strong, stable frame with vibration isolation
- Touchscreen computer
- Two computers for performing diagnostics or maintenance while also operating the weigher
- Operators can save packing styles in the user-friendly program for quick and easy changeovers
- Optional belts instead of standard vibrating lanes
- Optional router for remote assistance
- All product contact points are either stainless steel or plastic

### DISCHARGE OPTIONS

- Stainless Steel, Dual Discharge Belt
- Funnel
- Combination Bucket
