

SINGLE WICKET BAGGER (SOFT FRUIT)

The Single Wicket Bagger for Soft Fruit (WB SF) is designed to pack soft fruits such as apples, pears, and plums. It is made specifically for packing into premade, wicketed bags. The WB SF is equipped with a special infeed belt and brush that lower when bags are filled for gentle product handling.

The WB SF is the best, most gentle choice for bagging soft fruit. It is also equipped with either an automatic closer or tape closing head to make closing easy.

FEATURES

- Adjustable fill opening
- Easy-to-user PLC and touchscreen
- Synchronization between discharge belts for smooth transition to take-away conveyor
- Belts adjusted based on length of bags being filled

ADDITIONAL OPTIONS

- Left and right hand versions available
- Special infeed belt for delicate products
- Stinger Belt
